If you need help to understand the information in this policy, please contact school reception.

## PURPOSE

To explain Topirum Primary School's policy in relation to personal property and to ensure that special or valuable items of personal property are not brought to school.

## SCOPE

This policy applies to all school activities, including camps and excursions.

## POLICY

Topirum Primary School understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education does not have insurance for personal property of staff, students and visitors. Topirum Primary School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Topirum Primary School encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

The school recommends If students bring items of value to school, they can be given to the school reception for safe keeping until the end of the day, when the items may be collected by the student and/or parent.
