Welcome to our place!

Enrol now at Topirum Primary School Kindergarten

Our beautiful kindergarten is located on the site of Topirum Primary School at the heart of our vibrant, growing community in Casey.

Community is so important to us. Our place-based learning approach invites your child to know who they are and where they are in everything we do.

At Topirum Primary School Kindergarten we offer dynamic, play-based 3- and 4-year-old kindergarten programs that foster curiosity and creativity in a nurturing and safe environment. We'd love you to become part of our community of learning!
